Purpose

Soul-Purpose

Beyond the mind, the heart beats, and the Soul guides.

Beneath the ceaseless activity of the mind, lives a sacred sanctuary within. There is an endless, vastly spaciousness that restores connects you to something greater, something bigger, something that is outside of time...the infinite potential of your Souls-Purpose.

Within in this Sanctuary resides The Feminine Way of Creation. The totality of life beating and desiring to be birthed through you, through the channels that light you up, and are governed by your Rebellious Sacred Soul.

In this Sanctuary all of your BEING can be felt, the infinite aspect of your fullest expression that inspires, energies and move you to create, beyond what you once thought was possible.

Your mind sees, plans, strategises.

Your Soul feels, responds, intuit, guides, and flows
with the Power of Creation.

You are being asked to trust your Soul, and tap into
it.

The role of your mind is to serve the truths of your
Soul. To create the spacious environment within of
receptiveness of receiving your Soul-Purpose, so you
can unleash your Soul-Work into the world.

Dive into this playbook and be deliciously surprised
with what you now create and design.

Blessings and Love,

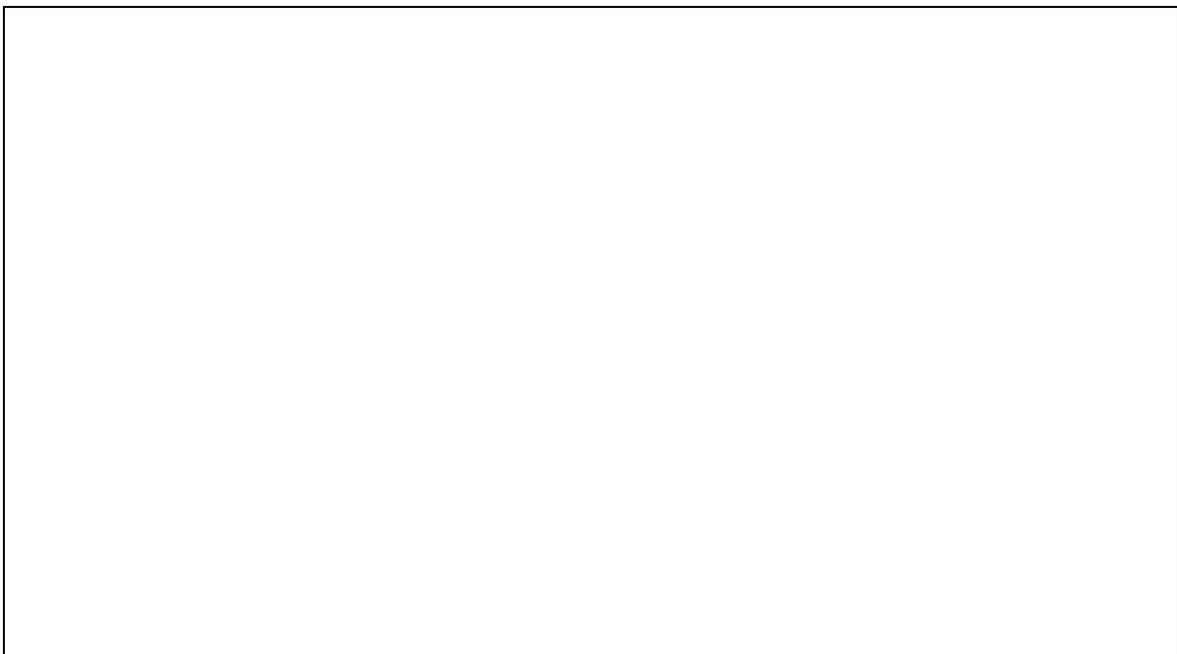

Alexandra

Dream a Beautiful Dream

The urge to create is the same within you as it is for the Universal Creator, because you are the Universal Creator in human form.

If you have been shamed, judged for, made to feel guilty, or denied your desires or pleasures in anyway, you have developed a tricky relationship with your desires. You have most likely learnt to distrust your desires, and come to believe instead that they are something to overcome or avoid.

You most likely had created the belief that you aren't worthy of your desires, that you have to settle for your version of good enough and mediocrity.
